

***The Tragical History of the Life And Death of Doctor Faustus***  
**by Christopher Marlowe**

**Critical Analysis:** Using the definition that follows, show that *Doctor Faustus* is a tragedy.

*“Tragedy arises when a man of noble character, knowing the good, chooses evil and is then moved inexorably to disaster. Having chosen evil, the man is powerless to change his decision, though there appear opportunities for him to do so.”*
