

Character Profiles

Create character profiles for the three main characters (Tess, Angel and Alec) in *Tess of the D'Urbervilles*.

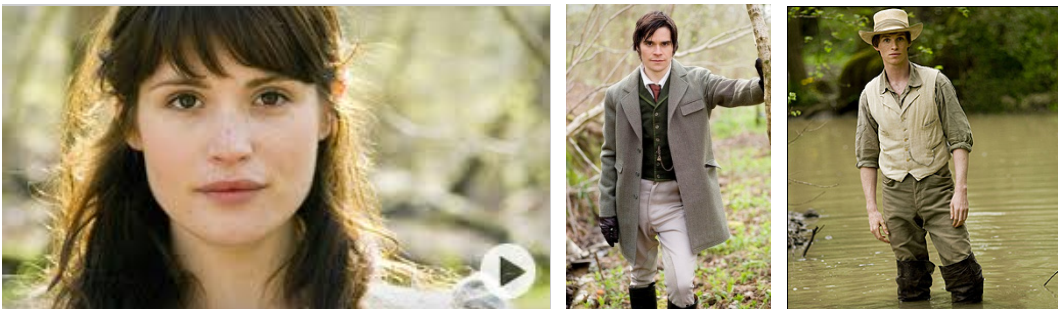

You can create these profiles in any form you like (e.g. pamphlet, poster, online profile). You should include the following information:

- Social status (are they rich, poor or middle class)
- Family history (what do we know about their family)
- Appearance (this could be done through an image or a description)
- What is their personality? (this could include 'likes and dislikes', perhaps even a description of what they would look for in the ideal partner)
- What happens to them in the story?

Include as much detail as you can.
