

49. **VALUABLE LESSONS**

1. There's no such thing as a free lunch.
2. No one ever learns anything the easy way.
3. You always lose the fish.
4. Money isn't enough.
5. Mother was right.
6. The little things hardly ever matter and almost all things are little.
7. The mind makes its own heaven or hell.
8. There are no accidents.
9. Education is its own reward and ignorance is its own punishment.
10. Doneness counts.
