

The adventure of a new driver, sweaty palms as he opens the door, breathing, emotions flow across his face.

Thrill

Reckless

Fear

Responsibility

Careful

Feeling hopeless as he his blinker, wild at the start. This is just the beginning, the beginning of freedom.

this paper came from the rainforest  
so go cry a little environmental  
freaks. I'll probably be recycled after  
I am written upon. I could be an essay  
on an exam that's so difficult you feel  
like screaming. but, honestly for now I  
am just a piece of paper. you could rip  
me up for dramatic affect. Please don't  
rip me up, even though I am a piece  
of paper, just an inanimate object. maybe  
you are learning to write your name  
on me spell it slowly, sound it out.  
just write it C A R K I E. one letter at  
a time. C A R T E R. 6 weeks of  
school left. six weeks left of paper. now  
get a new sheet of me before you run
