

"I didn't need anybody to tell me that that was an awful bad luck and would fetch bad luck..." (pg. 13)

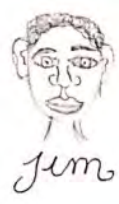

I am young & rebellious
 I wonder what's in the other territories
 I hear the water rushing down the Mississippi
 I see the footprints of a man I know
 I want to go on more adventures
 I am young and rebellious

"But I reckon I got to light out for the territory ahead of the rest because Aunt Sally she's going to adopt me and I can't stand it." (pg. 17)

"People would call me a low-down Abolitionist and despise me for keeping mum - but that don't make no difference. I ain't a-going to tell, and I ain't a-going back there, anyway." (pg. 50)

I pretend to not listen to what Pap says.
 I feel that Moses is unimportant
 I touch the wound of my fleeing friend
 I worry about what people will say about me.
 I cry when I think about my younger years
 I am young & rebellious

"... but by and by she let it out Moses had been dead a considerable long time, so when I told her that she was more dead than alive, because I don't take no stock in dead people." (pg. 12)

on the Move

I understand that slavery is wrong.
 I say that borrowing is OK if you give it back.
 I dream about winning prizes for good work
 I try to pretend to be a girl.
 I hope that Pap rests somewhere

Huck Finn

-Ch. 30, Huck Finn, Tom was as ignorant as you'd keep still - Tom's what I'd do, who ever heard of a store prospering by a nicely paid laborer why it's perfectly ridiculous. Chap 35 pg 232 Tom Tom is never only self appreciative he's the politics children's name book of the world and life.

Tom is the epitome of the boyish vision of life. He is willing to die for a cause. He is the complete fall of the American dream. He is the epitome of the boyish vision of life.

IMAGINATIVE!!!

But Tom Sawyer he wanted me up and said he was going to start a band of robbers. "Chap 1 pg 11 Huck Tom is incredibly adventures and is the epitome of how all boys want to live and be. It is hard to not be persuaded to come back to Miss. It says to be a gang."

-They ain't no right to shot him up! Tom ain't no slave! he's as free as any creature that walks the earth." Chap. 42 pg 275 Tom

But Tom give him 5¢ to keep quiet, and said we would all go home and meet next week and rob somebody and kill some people." Chapter 2 Huck pg 19 Tom is the epitome of boyish charm. It is ironic that even after signing a blood oath promising to stay true, he had to pay the old cat not to tell.

This is the first time we see TOM in a new light. Instead of being a carefree boy who appeals to parents by being so innocent, rather, he seems like a vindictive boy who took a prank too far

Tommy's story is about the adventures down the Mississippi. Tom Sawyer is important for he seems to influence Joe's decisions. He persuades Joe to remain in the hideout and not to return. Also he is Huck's master escape plan for Jim. However it turns out that he had been free for the past two months and this was just a cruel trick.
